First League Tilt Here On Sunday Against Lincoln

Mountaineers Play Best Game This Season At Folsom

The Truckee-Tahoe Mountaineers open the season at home Sunday when they meet the Lincoln nine on the local field.

The Mountaineers traveled to Folsom Sunday with a small crowd of boosters and played their best game of the season, although they lost 7 to 2.

Truckee led the Folsom team 2 to 1 through the sixth inning, with Frank Giovannoni doing a fine job of pitching with excellent fielding support. In the seventh, Folsom displayed its power and surged ahead with six runs off six hits to take the lead.

Giovannoni allowed only 10 hits, unfortunately the six being bunched in the seventh cost him the loss. Truckee had two double plays. The six errors were not costly.

Faight and Williams scored the two Truckee runs, with Baxter leading the hitters with 1 for 2. The heavy hitting Folsom club was held to one triple and four doubles. Last week they scored several home runs when they won from Nevada City 37 to 17.

A large crowd of fans is expected to watch the opener here Sunday when ceremonies will be staged prior to the game. Truckee Post 439 will provide a color guard and rifle squad under the direction of Hermann L. Owens. Also participating in the day's ceremonies will be the Tahoe-Truckee High School band, directed by Ernest Douglas, and the high school cadet corps.

Innings Summary

A summary of hits and runs in Sunday's game at Folsom is:

Truckee:	Runs:	100 100 000—	2
	Hits:	000 110 110—	4
Folsom:	Runs:	100 000 60x—	7

Firemen Wash Down Truckee's Main Street

Truckee's main street took on an entirely new and greatly improved appearance Monday morning when members of the volunteer fire department washed off the winter's accumulation of dirt, leaving the paving clean. The department hopes to repeat the work occasionally providing the business people will cooperate in not allowing debris to gather and thus cause clogged drains.

Through their efforts, the volunteers earned the thanks of the community.

Party for Truckee Girl On Recent Birthdate

Sharon Guidotti, daughter of Mr. and Mrs. Ernest Guidotti, celebrated her fourth birthdate at a party which featured a pink and blue decorated cake, games and the playing of children's phonograph records. Her young guests included Darby O'Donahue, Susan Olano, Errol and Gary Kehm, Tony and Ronnie Ilardi, Gary and Joanne Costa, Joe and Monte Straub, Larry Digesti and Wayne Esola.

Bids Will Be Opened On School Job May 23

Bids for the new high school plant, to be located on grounds already prepared a mile and a half west of Truckee, will be opened at a meeting of the board of trustees Tuesday, May 23, at 8 o'clock at the Tahoe Lake School. It is understood that a number of bids will be submitted and that work will be started immediately on the big project.

HOUSE WARMING

Mr. and Mrs. George F. Kamp were hosts to 15 of their friends at a house warming on Saturday evening. Visiting and dancing were enjoyed before the serving of a buffet supper. The couple recently moved into the George Pace house.

Open House To Welcome Crowd At New Garage

Gifts for Children, Other Give Aways Will Be Highlights

A cordial invitation to the public to attend the grand opening of his new garage on West Main Street Saturday evening, May 20, at 7 o'clock, was extended this week by C. E. Osburn.

After weeks of concentrated preparation, the new garage is now nearing completion and equipment and stock are being installed to make it thorough in every respect. Osburn was in San Francisco this week and hoped to bring back a new Buick which will be on display in the modern show room, one of the features of the new building.

Souvenirs will be distributed to the children Saturday evening and a free buffet is being planned with beer and soft drinks being served. An attractive free door prize will also be presented, Osburn said, in extending invitations to everyone to come in and get acquainted with the facilities and services to be offered.

The Gardner Automobile Parts Company will also have its store open that night and invites inspection. This store was leased from Osburn and will be in charge of Robert Morrill of Quincy who arrived this week with Mrs. Morrill to make Truckee their home.

Osburn selected the Buick dealership from a number offered and will feature a full line of the 1950 models when they become available. He explained, however, that for the most part Buicks are custom made from customer orders which are filled in a relatively short time.

BUSINESS SURVEY IN THIS REGION IS BEING PLANNED

William McCreary, supervisor of the division of occupational information and guidance for the state department of education, spent Monday afternoon and evening in Truckee meeting with members of the high school faculty and the district superintendent to plan an occupational survey of the industries and businesses in the Tahoe-Truckee Unified School District.

The occupational survey will be conducted by Miss Thelma Finger and students from the district high school. The survey will probably be conducted only in Truckee during this school year and in the rest of the district this fall.

Truckee Visitor Boosts Controller's Campaign

Lee Artz of Sacramento was here this week in the interest of the candidacy of Thomas H. Kuchel, incumbent candidate for state controller.

Kuchel's office has been singularly free of criticism and his record as a public official is one of the best. He has simplified and modernized the office and sponsored legislation which has simplified state accounting practices.

Truckee Men Up Early to Paint Parking Strips

Bright and early this morning, four local men were out renewing the white diagonal parking strips along the main business street here, the old ones having been obliberated by the winter elements. The four who performed this civic service between 6 and 8 a.m. were Edmund Parkhurst and Cecil Hardin, state division of highways employees; V. C. Shattuck and Charles Osburn.

IN S. P. HOSPITAL

James Thomas, who has been ill in a Reno hospital with a throat infection, was transferred to the Southern Pacific Hospital at San Francisco for further treatment and is reported improving.

Contest Features Trustee Election Here Tomorrow

All voters of the Tahoe-Truckee Unified School District are eligible to cast their ballots tomorrow for one trustee. Polling places will be at the elementary schools in Truckee, Tahoe City, Kings Beach, Donner Trails and Floriston.

There are two candidates for the single seat, with William Rutherford, incumbent and clerk of the board, opposed by Stanley Walton Jr. Both men are from the Donner Summit area.

There was an impression, according to Everett V. O'Rourke, district superintendent, that balloting would be only at the summit and he wished to make it impressive that the entire district is affected and everyone is urged to turn out and vote.

Polls will be open from 1 p.m. to 6 p.m.

GOOD CATCHES ARE REPORTED AT LAKE TAHOE

TAHOE CITY— While Lake Tahoe fishing this past weekend was reported not as good as on opening day, some impressive catches were made.

The largest fish of the weekend was a 13½ pound mackinaw, weighed at a local grocery store. Everyone present was so involved with the fish that it seems no one got the fisherman's name. It is believed he and his party came from Reno.

Nat and Frank Quilici from Truckee brought in a 9 pound Loch Leven and three smaller fish on Saturday. Both brought in limits on Sunday. Also from Truckee, Bob Seibold caught a nice two pound mackinaw.

On Monday, George H. Hunter, fishing guide from Homewood, advertised his services by bringing in a 10¼ pound mackinaw and two smaller fish. It is known that many other fish were caught. The exception, rather than the rule, is that fish are locally weighed and reported.

HELP IS NEEDED ON BALL DIAMOND

Extensive improvements have been made at the Truckee ball park to get it in shape for the opening game of the Placer-Nevada League season here on Sunday against Lincoln. Much work remains to be done, however, reports Manager N. F. Dolley, since late spring storms have hampered the project. He is asking that "50 men and big boys" volunteer their services Saturday to finish the job. The work will go on all day, starting at 10 a.m., and all help will be appreciated, Dolley said.

New Type White Line Put Down on Highway

Installation of the white center line on the highways offered one of the most important safety features since highways were improved, but now another innovation promises to add even greater safety for night driving.

T. T. Buell, local superintendent of highways, said crews are now painting the white stripe with a new paint which contains a minute glass bead which makes the paint plainly visible at night. The substance will even illuminate the stripe under three inches of snow, Buell said.

It is being used for the first time in this district.

Jesse Rablin Marks Birthdate at Party

Mrs. John Rablin entertained 12 school friends of their daughter, Jessie, at a party given on her tenth birthdate, Tuesday, May 16.

A pink frosted cake, trimmed in blue indicated the color scheme for the occasion. Attractive favors were given each guest during the refreshment hour which followed the playing of games.

Perry Jay Rablin, their son, also celebrated his birth anniversary on Monday, March 15, at San Diego where he is stationed with the Navy.

Sun Beams

by Walter M. Barrett

Jimmy Roosevelt is certainly a "promising" young man. In fact, he has promised just about everything to everybody "if I am elected." Now promises are very pleasant to hear. They can be impressive and they can at times be quite flattering. They give individuals and communities which want certain things the feeling that the candidate is particularly interested in obtaining these things for them and will, through some unexplained magic, be able to provide them. What the gullible so often overlook is that the candidate (and in this instance we mean Jimmy Roosevelt) is primarily interested in one thing only—votes. If promises will get votes, he'll make the promises. Whether or not those promises can be fulfilled doesn't seem to bother the candidate. In contrast to this approach, Governor Warren opened his campaign for re-election with this statement, "I am standing on my record. I am going to promise no magic. I will promise the people only that we will work honestly at these problems. We will make no grandiose promises that can't be fulfilled." Whether or not one agrees with everything the Warren Administration has done it cannot be denied that we have had eight years of sound, sensible government. To toss this aside for the glitter of a "gold brick" would not only be foolhardy but probably disastrous.

PARENT LEADERS MEET TO PLAN ON JUNE 10 SERVICES

Plans are moving forward for the combined graduation of all eighth graders and 12th graders in the schools of the Tahoe-Truckee Unified School District.

The presidents of three Parents and Teachers Associations and the president of the Donner Community Club met in Truckee Elementary School at 2:30 Tuesday afternoon to plan the reception for the graduates. The reception is to be held at the Episcopal Outdoor Chapel at Tahoe City immediately following the graduation on the afternoon of June 10. The presidents of the groups are Mrs. Richard Clarke, Tahoe Lake PTA; Dr. John A. Keys, Kings Beach PTA; Mrs. Donald Sites, Truckee PTA, and Mrs. Kirby Schull, Donner Community Club. Mrs. Ivan Wilson, secretary of the Tahoe Lake PTA, also attended the conference.

Lake Inn Opening Party Next Thursday

Tom Bonano and Edgar Myers are extending an invitation to their many friends throughout this region to attend the grand opening of Lake Inn, just west of Tahoe City, next Thursday night, May 25.

Programmed for the entertainment of the visitors will be dancing and a buffet lunch. The public is invited.

State Men Working to Clear Highway at Lake

State division of highway crews this week were working to open Highway 89 around Emerald Bay at Lake Tahoe, one of the most difficult annual projects on local roads. During the winter and early spring, the road is literally buried under tons of rock, trees and earth brought down in slides and several days are required to clear the pavement. The job is expected to be completed this week, T. T. Buell, superintendent, said.

Berkeley Couple Here—

Mr. and Mrs. J. C. Langille of Berkeley were visitors this week at the home of Mr. and Mrs. Harold Langille. The latter couple recently returned from Boise, Idaho.

Official Visits—

Sheriff and Mrs. Richard Hoskins of Nevada City were official visitors here the first of the week.

County Chamber Inaugurated At Summit Session

Tentative organization of a Nevada County Chamber of Commerce was accomplished at a meeting of representatives of the Truckee, North San Juan, Donner Summit, Grass Valley and Nevada City chambers and the Nevada County Realty Board held at Donner Summit Lodge on Tuesday night. C. Edmunds represented the local chamber.

The meeting was the outgrowth of one held here last Thursday when Roy Tremoureaux, William Stinson and Fred Conway represented the Grass Valley chamber and Si Sofge and I. C. Bell attended for the Nevada City group.

Purpose of the organization is to provide a county-wide front in promotional activities. More details will be given later.

PRE-SCHOOLERS' ROUND UP SET HERE MONDAY

The summer round-up of children who will be eligible to enroll in the first grade next September, or those who will be six years old on or before March 1, 1951, will be held at the Truckee Elementary School Monday, May 22 at 1 p.m.

James Welsh, local elementary school principal, said that Dr. L. D. Nelson will conduct medical examinations, Dr. Robert Affeldt will give dental examinations and Mrs. Helen Thom, director of health, Placer County, will assist. The children attending the round-up will be registered by Miss Miriam Gunter, superintendent of instruction in this district.

The affair is being sponsored by the Truckee Parents and Teachers and a committee will serve refreshments to the parents and children attending.

Wyethians Asked To Ignore Date on Card

Wyethia Club members are asked to disregard the date on cards sent them by Mrs. Floyd Calkins, club secretary, announcing a meeting for Friday, May 26.

The meeting will be held, as originally announced, tomorrow, Friday, May 19, Mrs. Calkins said.

Carl Painter Elected To Head Eagles Aerie

At the last meeting of the lodge, Carl Painter was elected president of Truckee Aerie 1124, Fraternal Order of Eagles. Other officers elect are Johnnie Richards, vice president; E. A. Parker, treasurer; Jesse E. Brown, conductor; Francis M. Johnson, chaplain; Demps Hensley, inner guard; Mike Bimbo, outer guard.

Secretary John Rau reports that the installation of officers on June 1 will be a special occasion, marking the 45th anniversary of the institution of the local aerie.

Pythian Sisters Party Was Enjoyable Affair

The old fashioned party given by the Pythian Sisters' Summit Temple 79 last Friday evening proved to be so enjoyable that another similar event is being planned for the near future. George Anderson proved adept and popular in calling the square dances.

Musical Program Set For Wyethia Meeting

A regular meeting of the Wyethia Club is scheduled for Friday evening, May 19, with Mrs. R. C. Gifford presiding. Community singing, square dancing and refreshments will be featured during the evening. Hostesses for the social hour will be Mesdames Kenneth Hedlund, Jack Ellis, R. L. Vertner and Lauren Russell.

Back from Vacation—

Betty Parkhurst returned Sunday night from a two weeks vacation to Klamath Falls and Portland, Ore.; Longview, Wash., and Caldwell, Idaho, visiting relatives and friends.

$5,000 Bail Each Set For Women In Assault Case

Alleged Victim Improves As Arraignment Is Held Here

Billie Townsend, 27, and Patricia O'Brien, 52, the two Portola women charged with beating Mrs. Leota Shroyer of Chilcoot to near death during a brawl near Truckee ten days ago, were held to answer to the superior court when they appeared before Justice of the Peace R. N. Little Tuesday. Bail was set at $5,000 each.

Mrs. Townsend was returned Sunday from Lovelock, where she was arrested shortly after the fight here, by Sheriff and Mrs. R. W. Hoskins. According to the sheriff, she readily admitted her part in the affair.

Mrs. O'Brien has been held in the local jail since the beating and she, too, admits participation officers said.

Mrs. Shroyer is recovering from the effects of the beating.

The two face trial on charges of felonious assault. A charge of theft, involving Mrs. Shroyer's car, was not filed in the local court, but was turned over to the FBI since the vehicle was transported across a state line.

CENSUS TAKER DOES HIS JOB IN MID - LAKE

Census takers used unusual methods to get their man.

Odos McKennon, one of the local census takers, was propelling his row boat across a section of Lake Tahoe to interview a family which could not be reached by road. On the way he spotted a fellow boatman steering in the opposite direction.

A natural query brought forth the information that the man in the other boat had not been counted and, despite a brisk wind which kept the boats bobbing like corks, McKennon completed the form and the two paddled on their respective ways.

STOLL VISITOR ON BEHALF OF BID FOR RE-ELECTION

District Attorney Vernon Stoll was in Truckee this week in the interests of his candidacy for re-election at the June 6 primary election. Although without opposition, Stoll said he would appreciate the support of every citizen of Nevada County.

A native of Red Bluff, the district attorney has been practicing law in Nevada County since 1929, following graduation from the University of California law school. He had served in the office from 1935 to 1943 and was appointed to fill the term of H. Ward Sheldon, who died in office in October, 1947.

Stoll has been active in civic and fraternal circles in Grass Valley ever since establishing his residence in the county.

Last Rites Are Held For Ex-Truckeeite

Funeral services were held at Sacramento on May 3 for Claude N. Parkhurst, former Truckee resident, who died in the capital city. He was an employee of the state where he had lived for 18 years, having been born in Nebraska 48 years ago. He was a member of Truckee Aerie, Fraternal Order of Eagles.

He was the husband of Josephine J. Parkhurst; father of Rose Marie and Edwin Noel Parkhurst, all of Hood; son of Mrs. Millie Parkhurst of Oakland; brother of Edwin F. Parkhurst of Sacramento, Vernon T. Parkhurst of Truckee, Mrs. Lavada Melick of Costa Mesa, Mrs. Lena Easton of Lakeport, Mrs. Faye Leis of Nebraska, Mrs. T. Ingle of Idaho, Dean Parkhurst of Washington, Ernest W. Parkhurst of Oregon, Mrs. Leta Harshbarger of Illinois and Murray Tennis of New York.

Nineteen Injured As Bus Wrecks Near Monument

Passenger Lauds Driver In Preventing More Serious Mishap

Nineteen people were hurt, three of them seriously enough to require hospitalization, when a Greyhound bus blew a left front tire and plunged over an embankment for 20 feet just east of Donner Monument, two miles west of here, shortly after 7 o'clock last night.

Three Truckee ambulances were kept busy bringing the injured to Truckee where Dr. L. D. Nelson treated them.

The driver, Walter Brill, 45, San Francisco, has back injuries. The only passenger to escape was Bert Pourner, 8, Topaz, who was unscratched.

Mrs. Frances Couillard of Soda Springs, who boarded the bus at Truckee, said she first took a front seat and then decided to go back farther. She was adjusting her seat, she said, when she heard the tire blow out. She saw the driver fighting for control and then felt the bus plunge through the air, the lower front end burying itself in the soft earth.

"I will give the driver credit for a good job," she said. "Had it not been for his excellent driving, the bus undoubtedly would have overturned, causing more damage than it did."

Most seriously injured were Carrie Whitcomb, 53, Reno; Ruth Swan, 52, Port Chicago, and Ida Gausert, 56, Kings Beach, all of whom were removed to a Reno hospital by ambulance.

Lesser injuries were suffered by John Hall, 56, Sacramento; Anne Browne, 55, Oakland; Helen Mikkols, 62, Berkeley; Ada McCann, 66, Seattle; Mr. and Mrs. Robert Walter, 43, San Francisco; Helen Pourner, 24, Topaz; Sam Dupree, 42, San Francisco; Mr. and Mrs. E. Yates, San Francisco; Ted Jenson, 18, Grants Pass; Sam Pooner, San Francisco; Laurence Hardy, Stockton; Floyd Knudsen, Roseville, and Mrs. Couillard.

TRIO AT TAHOE TO BE HONORED FOR SERVICES

TAHOE CITY— Mrs. Myrtle Gallinger, Mrs. Ernest Pomin and Mrs. Stella Watson will be given a reception by all of their friends of the Tahoe City district Sunday afternoon, May 28, between the hours of 3 and 6 p.m. at the utility court of the Tahoe Lake School playground. Gifts indicative of their neighbors' esteem will be presented to the honored guests. Mrs. Dorothy Johanson is chairman of the affair honoring the trio of women who have devoted so many years to community projects.

Mrs. Gallinger, who has taught school for nearly 25 years, is leaving and as yet has not announced any definite plans. Mrs. Pomin spent many years as a school trustee before the Tahoe-Truckee Unified District was organized and her ideas have been consistently progressive for the school. Mrs. Watson plans to retire after 20 years of safely driving the Tahoe school bus.

Truckee, North Tahoe People at Capital Meet

Rev. and Mrs. O. Swenson and son James, Mrs. J. Lyons and Mrs. D. Rylander of Truckee and Mrs. C. Dickow of Kings Beach attended the WSCS conference at Sacramento Tuesday.

More than 100 people from Kings Beach and Truckee enjoyed the pot luck supper in the Community Church Monday evening. Rev. D. W. Throckmorton of Sacramento was the speaker.

Charles Osburn Takes Over Service Station

Charles Osburn, who has been associated with his brother, Clarence E. Osburn, in the Associated Service Station on Main Street here for the past three years, this week took over the management of the station.

The new manager said that there will be no change in policies or personnel and that the same service which has been enjoyed by patrons of the station for many years will be continued.

PIONEER'S BIRTHDATE

Mrs. James McIver Sr. celebrated her birthdate at Fair Oaks on Monday, May 15. Mr. and Mrs. James McIver, her son and daughter-in-law, helped the pioneer Truckee resident observe the occasion.

Bruno Haceta, a Spaniard, was have landed on the Oregon coast the first white person known to in 1775.

Isn't that a nice write-up accorded the summer home of Mrs. Ann Woodland in a recent issue of Sunset Magazine? Ann's home, located on the shore of Lake Tahoe at Tahoe Vista, is lovely, a worthy contribution to our growing community.

Ruth Cochran's friends are glad glad that she is able to leave St. Mary's Hospital this week. You've been missed around The Pines, Ruth.

North Tahoe Gun Club contributes its share to the rapid development of this area. With plans for a club house on trap grounds, to be available not only for gun club use but for other community functions as well, the gun club is to be congratulated. On the building committee are Andy Sorensen, who designed the building, Pappy Brooks and Joe King. Andy has given a lot of effort toward the achievement of this proposed structure and is due a great deal of credit.

Officers elected for the coming year at the Gun Club meeting held at the Pines Tuesday evening, May 16, are Pappy Brooks, president; John Rayburn, vice president; Richard Lavery, secretary: Roy Porath, treasurer; Joe King, Carl Bechdolt Jr., Bert Cochran, Slim LeBorde, Sam Faulkner, Andy Sorensen and Tom Sutton, directors. Plans are underway for conducting a shoot on Kings Beach Trap June 16, 17 and 18. Trophies, purse and added money will be featured.

Johnny Rayburn beams as he proudly displays the button which indicates 101 straight shots. He modestly attributes a good portion of his success to that new trap gun just added to his collection.

Ray Sorensen intends to keep Tahoe Vista on the map. That young citizen, son of Andy and Alice Sorensen, won the junior championshiip of California at the trap shoot in Sacramento Sunday with a score of 95 out of 100. Ray has held this title for four straight years. Fine work, Ray, keep it up.

Two cute little kittens—no they have not lost their mittens, but they are in need of a home. They are yours for the asking and such adorable young pets. Interested? Please call Brockway 96. You may have one or both absolutely free if you promise a good home.

Mrs. Mae Tucker is visiting with her daughter, Irma Palmer, at Paradise.

Mrs. Lena Martin is visiting her sons, Bill and Harvey, prior to entering employment at Cal-Neva for the summer season.

Plans for that Rotary Club assembly to be held at North Tahoe July 19-21 are developing at a rapid pace, according to Alice Sorensen, serving on the committee.

Mr. and Mrs. A. E. Abbott celebrated another wedding anniversary last Sunday—Mother's Day. Their son, Aaron, with his wife, Cathryn, and daughter Evelyn Griffiths, with her daughters, Doris and Shirley, were up for the weekend from Bakersfield. Turkey, with all the trimmings, was served for Sunday dinner. Byron took brother Aaron out fishiing. Aaron, having the usual amateur's luck, came back with a nice catch of four while the experienced Byron got only one.

Another amateur in the art of fishing, our Kings Beach School, fishing, our Kings Beach School teacher, Miss Lucille Hallenbeck, had the thrilling experience of bringing in a fine catch of three nice ones last Sunday while Ace Abbott, who went along to show her how to catch a fish, got not one.

Dr. D. W. Throckmorton, district superintendent of the Sacramento district Methodist churches presided at the annual conference held in Truckee Sunday, May 14. Attending from North Tahoe were Mesdames Blaue, Judy and Glunt, Messrs. and Mesdames M. Siple, Henry Chanda, Charles Dickow, A. E. Abbott, Mosier, George Rutledge, C. LaPlante and son David. A pot luck dinner was served at the Truckee Community Church. Dr. Throckmorton, accompanied by his son, Kirby, spent the night with the A. E. Abbotts in Kings Beach. He was formerly pastor of the church attended by the Abbotts in Bakersfield.

Lake Tahoe Fish Flies! Called to the bedside of his ailing mother P. M. (Mack) Burroughs used the short while of waiting for his flight to catch a six pound mackinaw which he took along to his family. LAKE WOMEN'S CLUB NAMES OFFICERS, PLAN CIVIC PROJECT

TAHOE CITY— The Tahoe City Women's Club held their election meeting at the Community Center last Thursday, Mrs. Mazie Carnell, vice president, presiding in the absence of the president, Mrs. Jeannette Mitchell. Retained as secretary was Mrs. Vera Frazier. All other offices were filled with new officers. Elected president was Mrs. Dorothy O'Rourke; vice president, Mrs. June Gowing; treasurer, Mrs. Margaret Madden.

Two projects were proposed by the presiding officer: (1) Fence and repair Tahoe City's cemetery. (2) Beautify the Tahoe "Y" at the western entrance to town by filling and flower planting or by asking the state, which owns the property, to take similar action if possible.

The next business meeting, the first under the new officers, will be held on the first Thursday in June. The second Thursday of each month is reserved ordinarily for social meetings. During the winter, social meetings at the homes of members were the only meetings held.

Instrumental Trio Plays For School's Dance

TAHOE CITY— A real-music trio replaced the usual record player at the Tahoe Lake School's weekly school dance last Friday night. The trio included Mrs. Ivan Wilson at the piano, Mrs. Jess Brown on the accordian and Ivan Wilson, electric guitar. All are from Lake Forest. In addition to the pupils present were some 20 adults who generally watched over the dance, escorting their respective charges to and from the affair.

The dances are held from 7:30 to 9:30 each Friday for students of the school and school-age guest. Among the guests expected next Friday are a group from the Kings Beach School, chaperoned by Charles Chubb, principal of the school.

JUSTICE VERNON GIVES DECISION IN COURT ACTION

TAHOE CITY— Justice of the Peace C. W. Vernon handled a hotly contested claim and counter claim recently involving a collision on the Squaw Valley road December 26. Car owner Charles Spalding of Tahoe City asked $75 damages for his car, which he had not been driving at the time. Arthur Herz, Mill Valley, filed a counter claim for $74 damages and cost of transportation lost while his car was being repaired.

Both claimants produced three witnesses. The decision was in favor of Spalding, when it was shown that the other car had gone into a skid while coming around a blind curve, attributed by a Spalding witness to excessive speed. In passing judgment, Vernon emphasized that the decision was based as much on the defendant's testimony as on the plaintiff's.

CHAMBERS BACK

Dave Chambers is leaving his Samarkand Hotel at Santa Barbara and will return to Chamber's Lodge, Lake Tahoe, this week, to prepare it for the summer season.

DISTRICT SCHOOLS WILL CONDUCT DENTAL SURVEYS

TAHOE CITY— A meeting was held by representatives of the Tahoe-Trukcee Unified school district, local dentists and County Nurse Helen Thom of the Placer County board of health at Tahoe Lake School Friday evening to discuss and make preparations for the Tahoe-Truckee phase of the forthcoming Placer County dental survey of all school children.

Requested to assist in the program, dentist Dr. H. C. Holmes of Kings Beach and Dr. Robert Affeldt of Truckee offered their services. From the school district were Superintendent Everett V. O'Rourke, Curriculum Supervisor Miriam Gunter, James Welsh and Lynn Kishbaugh, Truckee Elementary School; Charles Chubb, Kings Beach School, and Robert Gilbert, Tahoe Lake School.

It was hoped that the area's survey might be completed prior to summer vacation so that children in need of treatment might have an opportunity to correct defects found as promptly as possible. Accordingly, dates for the survey were set for May and June, although such early schedules will necessitate postponement of many existing regular dental appointments.

First to receive the county survey team locally will be Donner Trail School on May 19. Kings Beach will see the team on May 29; Truckee Elmentary and the Tahoe-Truckee High, June 5, and Tahoe Lake, June 12. Parents and civic organizations are being notified of this opportunity for the children to have a complete dental examination. The program is part of the Placer County health program.

Many interested civic organizations will be represented at the county health meeting at the court house in Auburn at 7:30 May 23. The school dental program will be discussed. Present plans call for a complete county-wide survey of all school children to determine dental needs. A follow-up to assist remote areas to meet needs found is a contemplated trailer-type clinic. Groups expected are service clubs, women's clubs, PTA, health organizations, farm bureau, dentists, representatives from the schools and others. A principal speaker will be Cecille Havilland, school health consultant, state department of education. Representing the Tahoe-Truckee School District will be a committee headed by Lyn Kishbaugh of Truckee Elementary School.

Weather at Tahoe Is Fair and Warmer

TAHOE CITY— Tahoe weather last week showed a trend toward higher temperatures and bright, clear weather. Initiated by a trace of precipitation and snow recorded Sunday morning, followed by a trace again Monday, the week was free from storms although threatening clouds were often over the area.

Temperatures rose from a low of 16 on May 7 to 64 on the 13th. The lake level on the 14th stood at 6225.73 feet.

PROSSER CREEK PROJECT TOPIC OF CONFERENCE

RENO— Representatives of city, state and federal agencies and corporations of this area met last week in a three-hour session in the Reno city hall to discuss a variety of plans and problems relative to upstream storage on the Truckee River.

Much of the discussion among the 19 officials who attended was centered in the long-range project proposed by the U.S. Army Engineers, especially in reference to the construction of Prosser Dam below Lake Tahoe for upstream storage purposes.

The Prosser Creek Dam installation would not only solve many of the high level problems confronting owners of buildings and docks on the shores of Lake Tahoe by keeping the lake level below a destructive point but would also control extra heavy runoffs in the area which could lead to flood conditions, it was contended by proponents.

A committee, under the chairmanship of Elliott Cann, Reno city engineer, was appointed to prepare a comprehensive report on all phases of the upstream storage project. The report, expected to be ready within the next two months, will be considered by the same group at a future meeting before submission to the U.S. Army Engineers and a definite undertaking of an adopted upstream storage project.

CHAMBER VALUE CITED IN DRIVE FOR MEMBERS

With a number of important projects on its agenda, the Truckee Chamber of Commerce is planning inauguration of a membership drive in the near future and letters have been written to all local businessmen to give the matter deserved consideration.

Dues have been adjusted to provide an equal cost to members and minimized as low as possible to still make it possible for the chamber to function.

A comprehensive winter and summer sports program, airport promotion, new road signs and other advertising and promotional plans are being formulated by the directors.

The letter points out the need for assistance and will followed by a personal visit from the membership committee, Mrs. Winifred Kamp, secretary, said.

The letter follows:

"The Truckee Chamber of Commerce needs your help—both morally and financially.

"Every community, both large and small, and the inhabitants thereof, need a Chamber of Commerce and the services that it can render.

"The Truckee Chamber of Commerce has for over 35 years been actively working for and supporting every movement for the upbuilding of this community and area.

"Its work can only go on with the active support of every business interest in this community. You are urged to join with us and lend your aid and counsel in our deliberations.

"In the next few days a committee will wait upon you to ask for your assistance and support. It is hoped that we can count upon you to become one of our active members."

Tahoe Biltmore Case Transferred to S. F.

RENO— Frank Ingram, referee in bankruptcy, has authorized that further bankruptcy proceedings in the case of the Tahoe Biltmore at Lake Tahoe be transferred to San Francisco for hearing on July 14. The total indebtedness of the Tahoe Biltmore is listed at $887,159 and the assets at $554,000.

The Anglo California national bank of San Francisco holds a trust deed on the property at Lake Tahoe.

Let us help you plan your summer trip

7 reasons why you'll enjoy S. P. trains

Economy Chair cars and coaches on Southern Pacific trains take you there cheaper than you can drive. Rates are only slightly higher than the lowest cost transportation.

Speed Chair cars and coaches on S. P. trains provide the *fastest* low-cost transportation available.

Convenience Eat on the train, read your favorite magazine, play cards or plan your next day's business meeting.

Safety Travel with confidence. Weather makes no difference to the railroad. Sun, fog, wind or rain, you'll be safe with Southern Pacific. Steel rails are the safest highway ever built.

Comfort You can stretch, walk around, visit the dining car or take a nap. Long-distance trains are air-conditioned, too.

Relaxation Let the engineer do the driving. You arrive fresh and rested.

Luxury Think of Southern Pacific in terms of luxury travel, too. Here are some of the fine trains that are at your service:

Streamliner *City of San Francisco* and *San Francisco Overland* to Chicago; the *Daylights* between Los Angeles and San Francisco-Oakland-Sacramento; the new *Shasta Daylight* between San Francisco and Portland; the streamlined *Golden State* to Chicago via Los Angeles; and the *Sunset Limited* to New Orleans through the Old South.

Ask Southern Pacific for details about our trains and services. We'll be glad to help you plan your trip.

VISIT COCA-COLA PLANT

—by Lois Grey and Ernest Towler Jr.

On May 15 the 7th and 8th grade students visited the Coca-Cola plant at Truckee upon the invitation of Mr. Englehart. Everyone enjoyed themselves greatly. The process of how Coca-Cola was made was explained by Mr. Englehart. Each person was given a bottle of Coca-Cola and a pencil for a souvenir. Mr. Englehart will sponsor a contest for the students. Each student who wishes to enter may. Mr. Englehart will give a prize for the best composition written about what we saw at the plant. We are very grateful to Mr. Englehart for all he has done.

PLAY DAY

—by Louie Ramirez

The 5th and 6th grades from Mr. Kishbaugh's room and the 7th and 8th grades from Mr. Welsh's room are going to go to the Truckee baseball park to have a play day. They will have it on Thursday, the 18th. The 5th and 6th grades will play soft ball and the winner of the game will play the winner of one between the 7th and 8th grades. There will be a hard ball throw for distance. There will be a weiner roast and other games during the 2½ hours program.

MINUTE BIOGRAPHY

—by Ruth Osburn

David Germain was born September 1, 1935, at Santa Ana, California. At present, he is in the 7th grade. He has brown hair and blue eyes. David's height is 5 feet 2 inches and he weighs 110 pounds. Swimming and fishing are two sports that he enjoys very much. In later life he hopes to become a mechanic.

AERONAUTICS & NATURE

—by Margie Osburn

The boys in Mr. Kishbaugh's room are getting along in their Aeronautics a lot better. Their airport is progressing well. The girls are studying about plants, aniials, insects and reptiles.

THE LOWER GRADES

—by Alberta Cooper

The 1st graders have just started to read "We Look and See." They are also reading charts about our community. Clark Kydd, Roy Stallard and Judith Giovannoni are building a house for our community. They are making the house out of oarnge crates. The 1st graders are also having some very interesting records that the children have been bringing from home.

The 2nd and 3rd grades have terminated the form study which they found extremely interesting. For the rest of the year they intend to study science and nature.

MEXICAN MODEL

—by Sharon Pace

The 3rd and 4th grade pupils have finished their Mexican house. The colors of the house are white and brown. They have green palm leaves, made from paper. They have large petates, which are mats for sleeping on. They have one large petate on the floor. They have learned some Mexican words and expressions.

FISH SINKS BOAT, TWO ARE SAVED FROM DROWNING

TAHOE CITY— A near tragedy was averted Sunday afternoon at Lake Tahoe when a small motored boat capsized.

Frank Johnson and Jesse Brown, both of Lake Forest, had taken the boat out for an afternoon of fishing. Frank hooked a really big one that started pulling the boat, motor and all. When the fish "let go", the balance in the boat was upset and both men went into the water. The capsized boat sank. At the the time, they were half a mile out off the Methodist Conference Grounds at Lake Forest. Both were fully clothed.

Frank struck out for shore. Jesse circled the spot where the boat had gone under. The boat came up. Jesse called Frank back and the two held on to the barely floating hull. Someone ashore saw their plight and telephoned the Tahoe City Patrol Boat office which promptly dispatched a boat.

The pair and their craft were so low in the water that they were missed twice. On the third pass, one got his arm up and they were seen and picked up.

They had been in the water half an hour and both were suffering from shock and exposure. Both men were sufficiently recovered to report for their respective jobs Monday. Fred Main of Tahoe City was named among those on the rescue craft.

President Roosevelt's Board said— NO!
President Truman's Board said— NO!
Still the leaders of the Railroad Firemen's Union say— "STRIKE!"

This ridiculous strike is an affront to every citizen of the nation. It's not for more money. It's not because of hours. It's only for soft feather-bedding spots for additional unnecessary firemen to go along in diesel locomotives just for the ride. A leading liberal newspaper calls the demands of the union leaders "horse-feathers"!

• The reckless leaders of the firemen's union want to force down the throats of the railroads and the public a ridiculous "make-work" proposal which has been twice ruled out by Presidential Fact Finding Boards duly appointed under the provisions of the Railway Labor Act.

This demand of union leaders for additional and unnecessary firemen to ride in diesel locomotives was rejected —after months of hearings—by a Board appointed by President Roosevelt in 1943.

It was again rejected in 1949 by a Board appointed by President Truman.

Recent meetings with the National Mediation Board have brought no change in the attitude of the union dictators.

Union Leaders Defy Intent of Law

The union leaders helped write the Railway Labor Act. Yet in an attempt to jam through this scheme of pure "feather-bedding" by leading the members of their union out on strike and threatening paralysis to large areas of the nation, they are defying the spirit and intent of the very law which they helped to create.

This strike is not for higher wages. It is a strike to force the railroads to employ many more thousands of firemen who are not needed! It would be indefensible waste. The railroads have refused to place this additional and unnecessary burden on the public.

But more important than any other consideration, is the action of these few irresponsible union leaders in seeking to force a crippling strike upon the nation for their own selfish purposes.

There is no other possible answer to such a demand but "No!"

The railroads in making such a reply believe they have the whole-hearted support of the people in whose interest they are willing to fight this out, despite the loss and inconvenience that all will suffer.

It is time to put an end to such un-American demands.

This strike is one of the silliest strikes in history!

What are these reckless union leaders trying to do? They seek to cause thousands of their members to strike, and throw hundreds of thousands of other employes on and off the railroads out of employment, with loss of pay to them and their families, plus a severe blow to industry and the citizens of the nation.

What's the strike all about? If the union has its way—what happens? The present members of the union won't get one cent more pay. They will merely have been assessed for a costly and indefensible drive in an attempt to provide more dues-paying members for the union by creating "feather-bedding" jobs for additional and unnecessary firemen.

This is certainly one of the silliest strikes in history!

Mrs. Archie Is Feted By Card Club Members

Mrs. Roxie Archie was feted at a bridge luncheon given in Donner Summit Lodge on Wednesday, with members of the Eightsome bridge club acting as hostesses. The affair was given in honor of the birthdate of Mrs. Archie, which occurred May 15. A large cake, decorated in pastel pink and blue, made by Mrs. Elden Tonini, was cut. Pine boughs formed the appropriate decor.

Members of the club and substitute players in the group who were present were Mesdames William Englehart, Harold Langille, B. J. Riordan, C. B. White, Vern Shattuck, Robert Bick, R. N. Little, Annie Tonini, Anton Mahne, Walter Loynd, Robert C. Gifford, A. P. Leitch, Ray Scott, T. T. Buell and Tony Ghirard.

School Administrators Meet at Donner Trail

The Placer County School Administrators Association held their final meeting of the school year at the Donner Trail School last night. Forty administrators from Placer County schools attended the meeting.

Tom Shellhammer, consultant in evaluation with the state department of education, presented a skit with the assistance of some of the administrators to demonstrate to the audience various phases of in-service and pre-service education of teachers.

The dinner for the administrators was prepared by Mrs. Muriel Frey, cafeteria cook for the Truckee Elementary School, and Miss Patricia Bowman, principal of the Donner Trail School.

Oroz Here—

Mr. and Mrs. Andrea Oroz and family of Gardnerville, Nevada, are visiting Mrs. Steve Besio.

CARD OF THANKS

We wish to thank all who contributed and assisted at the conference and supper held in the Community Church Monday evening. Those who have not received their dishes may do so by contacting Mrs. O. Swenson at the church parsonage.

RECIPE OF THE WEEK
By Mary Lee Taylor

Fruit Marlow

6 tablespoons Sego Milk
½ cup crushed pineapple, undrained
3 tablespoons sugar
6 marshmallows, quartered
1½ teaspoons lemon juice
few grains salt
½ package lemon gelatin
½ cup boiling water

Chill milk until ice cold. Mix pineapple, sugar, marshmallows, lemon juice and salt. Chill thoroughly, stirring now and then. Dissolve lemon gelatin in boiling water. Chill until slightly thicker than unbeaten egg whites. Fold in fruit mixture. Whip chilled milk with cold rotary beater, or electric beater, until stiff. Fold into gelatin mixture. Pile into 4 dessert dishes. Chill until firm. Makes 4 servings.

*Canned apricots, pressed through a sieve can also be used.

You will need:

Sego Milk, Crushed Pineapple, Marshmallows, Lemon - flavored Gelatin, Sugar and Lemons.

Tarzan

by EDGAR RICE BURROUGHS

BITTEN BY VIPERS DURING THE TEST OF THE SERPENTS, MABULI IS CARRIED TO HIS HUT WHERE BAKER AWAITS HIM TO MAKE CERTAIN HE WILL DIE.

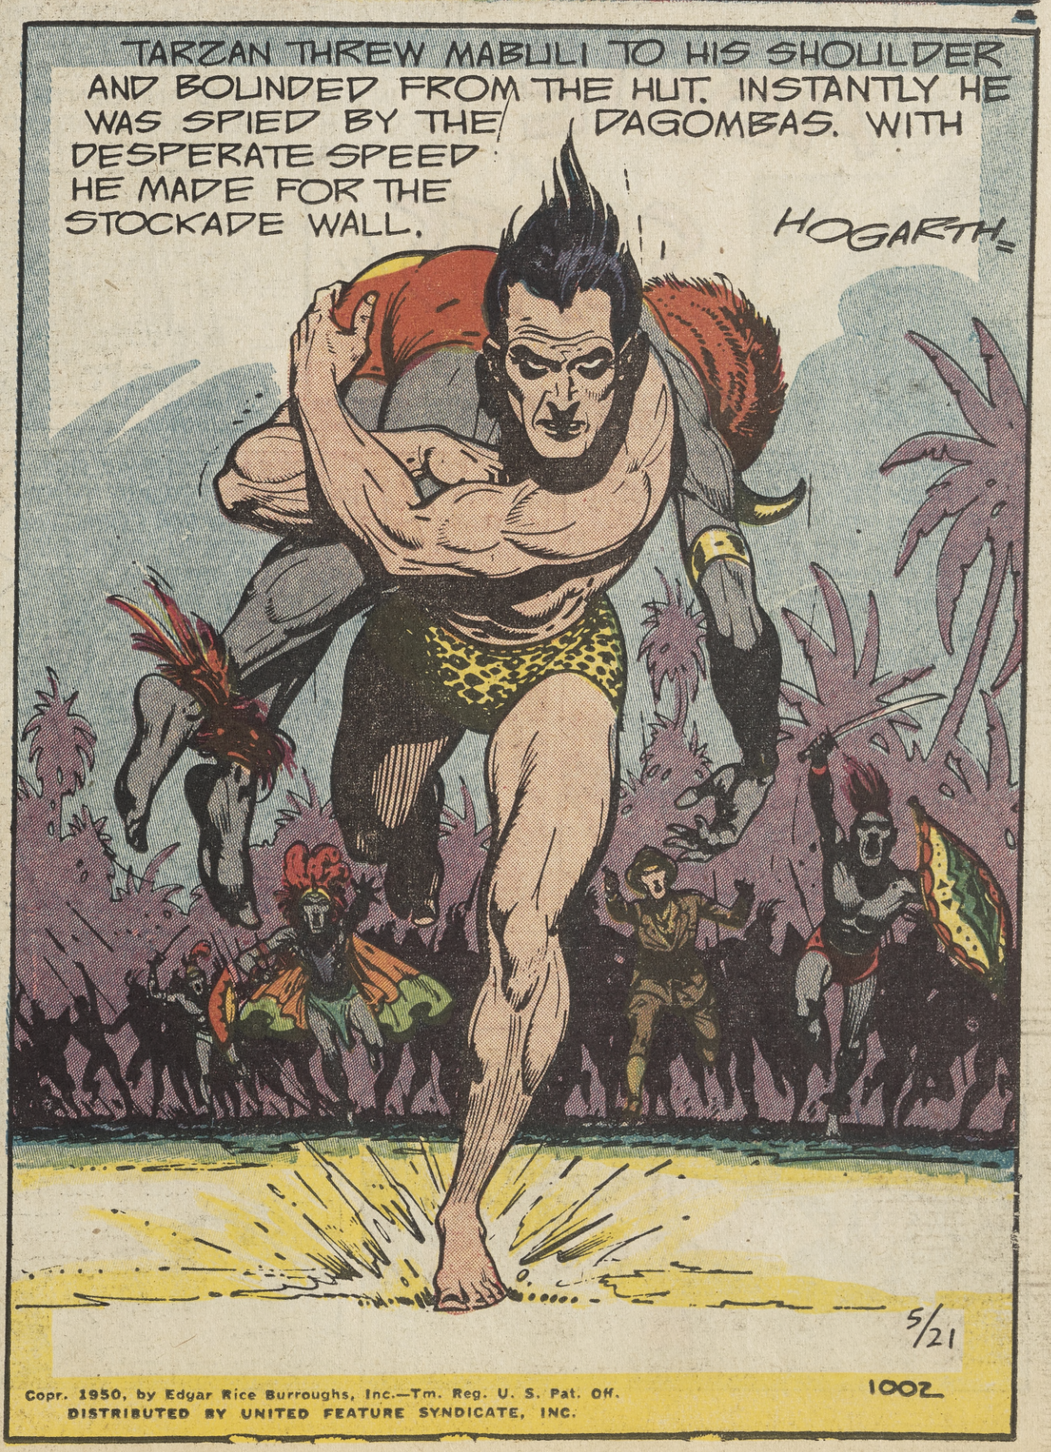

THE STOCKADE GUARDS HAD LEFT THEIR POSTS, THUS GIVING TARZAN A SLIM CHANCE TO HELP MABULI.

THE APE-MAN CREPT INTO THE HUT JUST IN TIME TO SEE BAKER ABOUT TO RELEASE HIS POISONOUS REPTILES.

SUDDENLY A BAND OF STEELY SINEWS CLOSED ABOUT THE THROAT OF THE TRAITOR.

TARZAN THREW MABULI TO HIS SHOULDER AND BOUNDED FROM THE HUT. INSTANTLY HE WAS SPIED BY THE DAGOMBAS. WITH DESPERATE SPEED HE MADE FOR THE STOCKADE WALL.
